#### \*Notes:

- 1. Total returns as at 31.12.2024. Total returns are calculated based on NAV per unit, adjusted for income distribution, if any.
- 2. The basis of calculation for the average total return is by dividing the total return by the numbers of years.

Past performance is not necessarily indicative of future performance. Unit prices and investment returns may fluctuate.

#### 3. MANAGER'S REPORT

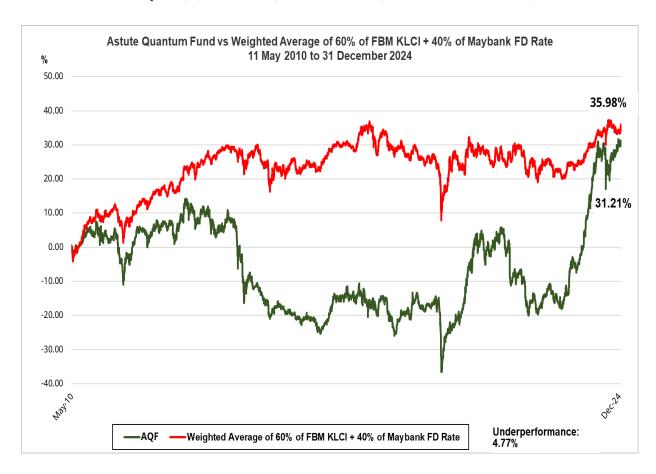

#### **FUND'S OBJECTIVE ACHIEVEMENTS**

The Fund seeks to achieve its objective of providing capital growth and income. For the period under review, the Fund has not achieved its investment objective. The Fund had provided a total return of 31.21% as compared to the benchmark return of 35.98%. Hence, the fund had underperformed the benchmark return by -4.77%.

#### **PERFORMANCE ANALYSIS**

For the year ended 31<sup>st</sup> December 2024, the Fund achieved a return of 31.39% against the benchmark return of 8.79%, resulting in an outperformance against the benchmark of 22.60%. The total NAV of the fund increased to RM 1,370,034 as at 31<sup>st</sup> December 2024 from RM 345,396 as at 31<sup>st</sup> December 2023. The increase in NAV was mainly due to the portfolio value appreciation and subscription by unit holders.

#### STRATEGIES EMPLOYED

The Fund has adopted a top-down and bottom-up approach as its investment strategy. The investment policy is to invest in mostly undervalued companies with good potential for growth.

The fund consists of only shares or warrants that are listed on Bursa Malaysia. In terms of market sectors, the Fund is mainly concentrated in areas such as Consumer Products and Services, Industrials Products and Services, and Financials Services.

The investment strategy will remain centered on well-managed liquid stocks that exhibit good growth prospects with strong earnings visibility. Stocks with strong cash flows, decent yield, and proactive management will also be considered.

#### **MARKET REVIEW**

The fund recorded a 31.39% performance for the year, beating the benchmark which has risen by 8.79%. Despite the recent volatility, we maintain a positive outlook on equity markets.

The US economy has remained resilient as we head into 2025. On the 19th Dec 2024, the FED cut US interest rates by 25-bps to 4.50%. Importantly, FED Chair Powell signalled that the FED's policy stance has entered a "new phase" and that it will move cautiously on further rate cuts. Meanwhile, the median "dot plot" now expects only 2 rate cuts in 2025 (total of 50 bps) vs more bullish expectations of 4 cuts back in Sep-2024.

As President-elect Donald Trump prepares to return to the White House on 20th Jan 2025, markets are bracing for widespread tariffs on China and the rest of the world. The impact of such tariffs may adversely affect Asia's growth and exert downward pressure on their currencies. Since 27th Sep 2024, the DXY (USD Currency Index) has rallied 9.3% to 109.7. During periods of Dollar strength, liquidity invariably leaves Emerging Markets and returns to Developed Markets. With USD "exceptionalism" (strength) expected in 2025, this will represent a significant headwind for Asian markets.

In Malaysia, the Ministry of Finance (MOF) expects the economy to grow at a modest 4.5% to 5.5% in 2025. The forecast appears reasonable given the resilience of the global economy and the slew of domestic initiatives under the Madani government. In particular, the improvement in private investment spending is encouraging.

#### **MARKET OUTLOOK**

In our view, the KLCI will be supported by a bunching-up of thematics. This includes the launch of the Johor-Singapore Special Economic Zone (JSSEZ), the government directed focus on domestic investments by government-linked investment companies (GLICs), robust foreign direct investments (FDIs) including into data centres and semiconductors, implementation of the National Energy Transition Roadmap (NETR) and Penang Transport Master Plan.

We took a position in Air Asia X as we are positive on their restructuring plans while the recovery in tourism serves as a further tailwind. We also added Bumi Armada to the portfolio as we think the potential merger with MISC is positive and could lead to a rerating of Armada's share price.

Malaysia's valuations are undemanding ie. 12-month forward PER of 14.1x (10Y range 12.2x to 19.3x), PBR of 1.4x (10Y range 1.1x to 2.0x) and forecast DY of 4.2% (10Y range 3.1% to 4.8%) [source: Bloomberg]. Our strategy is biased towards domestic plays which are insulated from some of the external headwinds. We are keeping a higher level of cash in view of the short-term uncertainties and are looking for lower levels to buy.

#### **DISTRIBUTIONS**

For the financial period under review, the Fund did not declare any distribution.

#### STATE OF AFFAIRS OF THE FUND

There were no significant changes in the state of affairs of the Fund during the period year and up to the date of Manager's report, not otherwise disclosed in the financial statements.

#### SECURITIES FINANCING TRANSACTIONS

The Fund has not undertaken any securities lending or repurchase transactions during the financial period under review.

#### **DETAILS OF ANY UNIT SPLIT EXERCISE**

The Fund did not carry out any unit split exercise during the financial period under review.

#### **CROSS TRADE TRANSACTION**

During the financial year under review, no cross-trade transactions were undertaken by the Manager for the Fund.

#### **SOFT COMMISSION**

The Manager will retain soft commissions received from stockbrokers, provided they are of demonstrable benefit to the Unitholders. The soft commissions may take form of goods and services such as data and quotation services, computer software and investment related publications which are incidental to the management of the Fund. Rebates, if any, will be directed to the account of the Fund.

During the period under review the Manager received data and quotation services and investment related publications which are incidental to the Fund investment.

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### Opinion

We have audited the financial statements of **Astute Quantum Fund** ("the Fund"), which comprise the statement of financial position as at 31 December 2024, and the statement of profit or loss and other comprehensive income, statement of changes in net asset value and statement of cash flows of the Fund for the financial year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 14 to 40.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 31 December 2024, and of its financial performance and its cash flows of the Fund for the financial year then ended in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards.

#### **Basis for Opinion**

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Fund in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

#### Information Other than the Financial Statements and Auditors' Report Thereon

The Manager of the Fund is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Fund and our auditors' report thereon.

Our opinion on the financial statements of the Fund does not cover the other information and we do not express any form of assurance conclusion thereon.

## INDEPENDENT AUDITORS' REPORT TO THE UNITHOLDERS OF ASTUTE QUANTUM FUND (CONT'D)

#### Information Other than the Financial Statements and Auditors' Report Thereon (Cont'd)

In connection with our audit of the financial statements of the Fund, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Fund or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of the Manager and Trustee for the Financial Statements

The Manager of the Fund is responsible for the preparation of financial statements of the Fund that give a true and fair view in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards. The Manager is also responsible for such internal control as the Manager determines is necessary to enable the preparation of financial statements of the Fund that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Fund, the Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Manager either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

The Trustee is responsible for overseeing the Fund's financial reporting process. The Trustee is also responsible for ensuring that the Manager maintains proper accounting and other records as are necessary to enable true and fair presentation of these financial statements.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Fund as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### INDEPENDENT AUDITORS' REPORT TO THE UNITHOLDERS OF ASTUTE QUANTUM FUND (CONT'D)

#### Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Fund, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Manager.
- Conclude on the appropriateness of the Manager's use of the going concern basis of
  accounting and, based on the audit evidence obtained, whether a material uncertainty exists
  related to events or conditions that may cast significant doubt on the Fund's ability to
  continue as a going concern. If we conclude that a material uncertainty exists, we are
  required to draw attention in our auditors' report to the related disclosures in the financial
  statements of the Fund or, if such disclosures are inadequate, to modify our opinion. Our
  conclusions are based on the audit evidence obtained up to the date of our auditors' report.
  However, future events or conditions may cause the Fund to cease to continue as a going
  concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Fund, including the disclosures, and whether the financial statements of the Fund represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Manager regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### 1. THE FUND, THE MANAGER AND THEIR PRINCIPAL ACTIVITIES

Astute Quantum Fund was constituted pursuant to the execution of a Deed dated 19 June 2000, Supplemental Deed dated 20 December 2000, Second Supplemental Deed dated 9 March 2006, Third Supplemental Deed dated 23 February 2010 and Fourth Supplemental Deed dated 3 August 2015, between the Manager, Astute Quantum Fund, the Trustee, AmTrustee Berhad and the registered Unitholders of the Fund. Fifth Supplemental Deed dated 15 April 2016 was executed for the change of Trustee from AmTrustee Berhad to Maybank Trustees Berhad. Sixth Supplemental Deed dated 22 April 2022 between the Manager and the Trustee modified the name of the Manager and the name of the Fund.

The principal activity of the Fund is to invest in "Permitted Investments" as defined in the Seventh Schedule of the Deed. The Fund commenced operations on 28 June 2000 (commencement date) and will continue its operations until its termination by the Trustee or the Manager as provided under Clauses 7.2 and 7.4 of the Deed.

The investment objective of the Fund is to invest in stocks listed under the Bursa Malaysia Main Market. The Manager of the Fund is allowed to invest in equity up to 100% of the NAV of the Fund. The investment mandate is further subjected to a minimum investment of 40% of the NAV, in stocks or fixed income instruments or any other form of investment instruments which provide regular payment of dividends or its equivalent and permitted by the Securities Commission Malaysia.

The Manager, Astute Quantum Fund, is a company incorporated in Malaysia. The principal activity of the Manager is the management of unit trust funds.

The financial statements of the Fund are presented in Ringgit Malaysia ("RM") which is the functional and presentation currency.

The financial statements were approved by the Board of Directors of the Manager on 26 February 2025.

#### 2. BASIS OF PREPARATION

The financial statements of the Fund are prepared under the historical cost convention and modified to include other bases of valuation as disclosed in other sections under material accounting policy information, and in compliance with Malaysian Financial Reporting Standards ("MFRSs") and International Financial Reporting Standards ("IFRSs").

2.1 During the current financial year, the Fund has adopted the following new accounting standards and/or interpretations (including the consequential amendments, if any):-

#### MFRSs and/or IC Interpretations (Including The Consequential Amendments)

Amendments to MFRS 16: Lease Liability in a Sale and Leaseback

Amendments to MFRS 101: Classification of Liabilities as Current or Non-current

Amendments to MFRS 101: Non-current Liabilities with Covenants

Amendments to MFRS 107 and MFRS 7: Supplier Finance Arrangements

The adoption of the above accounting standards and/or interpretations (including the consequential amendments, if any) did not have any material impact on the financial statements of the Fund.

For The Financial Year Ended 31 December 2024

#### 2. BASIS OF PREPARATION (CONT'D)

2.2 The Fund has not applied in advance the following accounting standards and/or interpretations (including the consequential amendments, if any) that have been issued by the Malaysian Accounting Standards Board (MASB) but are not yet effective for the current financial year:-

MFRSs and/or IC Interpretations (Including The Consequential				
Amendments)	<b>Effective Date</b>			
MFRS 18 Presentation and Disclosure in Financial Statements	1 January 2027			
MFRS 19 Subsidiaries without Public Accountability: Disclosures	1 January 2027			
Amendments to MFRS 9 and MFRS 7: Amendments to the				
Classification and Measurement of Financial Instruments	1 January 2026			
Amendments to MFRS 10 and MFRS 128: Sale or Contribution of				
Assets between an Investor and its Associate or Joint Venture	Deferred			
Amendments to MFRS 121: Lack of Exchangeability	1 January 2025			
Annual Improvements to MFRS Accounting Standards – Volume 11	1 January 2026			

The adoption of the above accounting standards and/or interpretations (including the consequential amendments, if any) is expected to have no material impact on the financial statements of the Fund upon their initial application except as follows:-

#### MFRS 18 Presentation and Disclosure of Financial Statements

MFRS 18 'Presentation and Disclosure in Financial Statements' will replace MFRS 101 'Presentation of Financial Statements' upon its adoption. This new standard sets out the new requirements for the presentation and disclosure of information in the primary financial statements and notes. The potential impact of the new standard on the financial statements of the Fund has yet to be assessed.

#### 3. MATERIAL ACCOUNTING POLICY INFORMATION

#### 3.1 CRITICAL ACCOUTING ESTIMATES AND JUDGEMENTS

**Key Sources of Estimation Uncertainty** 

Management believes that there are no key assumptions made concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year other than as disclosed below:-

#### Income Taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Fund recognises tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were initially recognised, such difference will impact the income tax expense and deferred tax balances in the year in which such determination is made. The carrying amount of current tax assets as at the reporting date is RM4,585 (2023 - RM4,585).

Critical Judgements Made in Applying Accounting Policies

Management believes that there are no instances of application of critical judgement in applying the Fund's accounting policies which will have a significant effect on the amounts recognised in the financial statements.

#### 3.2 FINANCIAL INSTRUMENTS

#### (a) Financial Assets

## Financial Assets Through Profit or Loss

The financial assets are initially measured at fair value. Subsequent to the initial recognition, the financial assets are remeasured to their fair values at the reporting date with fair value changes recognised in profit or loss. The fair value changes do not include profit income.

#### Financial Assets At Amortised Cost

The financial assets are initially measured at fair value plus transaction costs except for trade receivables without significant financing component which are measured at transaction price only. Subsequent to the initial recognition, all financial assets are measured at amortised cost less any impairment losses.

For The Financial Year Ended 31 December 2024

#### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 3.2 FINANCIAL INSTRUMENTS (CONT'D)

#### (b) Financial Liabilities

#### Financial Liabilities at Amortised Cost

The financial liabilities are initially measured at fair value less transaction costs. Subsequent to the initial recognition, the financial liabilities are measured at amortised cost.

### (c) Equity instruments

#### Unitholders' Capital

Unitholders' capital are classified as equity and recorded at the proceeds received, net of directly attributable transaction costs.

The unitholders' contributions to the Fund meet the criteria of puttable instruments classified as equity instruments under MFRS 132 - Financial Instruments Presentation. Those criteria include:-

- the units entitle the holder to a proportionate share of the Fund's NAV;
- the units are the most subordinated class and class features are identical;
- there is no contractual obligation to deliver cash or another financial asset other than the obligation on the Fund to repurchase; and
- the total expected cash flows from the units over its life are based on substantially on the profit or loss of the Fund.

#### NAV Attributable to Unitholders

NAV attributable to unitholders represents the total NAV in the statement of financial position, which is carried at the redemption amount that would be payable at the end of the reporting period if the unitholders exercised the right to redeem units of the Fund.

Units are created or cancelled at prices based on the Fund's NAV per unit at the time of the creation or cancellation. The Fund's NAV per unit is calculated by dividing the net assets attributable to the unitholders with the total issued and paid-up units as of that date.

For The Financial Year Ended 31 December 2024

## 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### 3.2 FINANCIAL INSTRUMENTS (CONT'D)

#### (c) Equity instruments (Cont'd)

#### Distributions

Distributions are at the discretion of the Fund. A distribution to the Fund's unitholders is accounted for as a reduction from realised reserves. A proposed distribution is recognised as a liability in the period in which it is approved.

#### 3.3 Classification of Realised and Unrealised Gains and Losses

Unrealised gains and losses comprise changes in the fair value of financial instruments for the period and from reversal of prior period's unrealised gains and losses for financial instruments which were realised (i.e. sold, redeemed or matured) during the reporting period.

Realised gains and losses on disposal of financial instruments classified as part of at fair value through profit or loss are calculated using the weighted average method. They represent the difference between an instrument's initial carrying amount and disposal amount.

#### 3.4 INCOME RECOGNITION

#### (a) Dividend Income

Dividend income from investments is recognised when the right to receive dividend payment is established.

#### (b) Realised Gains or Losses on Sale of Investments

Realised gain or loss on the sale of an investment is recognised based on the sale proceeds less cost which is determined on the weighted average cost basis.

For The Financial Year Ended 31 December 2024

#### 4. MANAGEMENT'S FEE

Clauses 6.1 and 6.2 of the Deed provides that the Manager is entitled to a management fee computed daily on the net asset value attributable to unitholders of the Fund at a maximum rate of 2% (2023 - 2%) per annum. The management fee recognised in the financial statements is computed based on 1.5% (2023 - 1.5%) per annum for the financial year.

#### 5. TRUSTEE'S FEE

Trustee is entitled to a fee at such rate as may be agreed from time to time between the Manager and the Trustee. The Trustee's fee recognised in the financial statements is computed daily at 0.05% (2023 - 0.05%) per annum of the net asset value attributable to unitholders of the Fund.

#### 6. INCOME TAX EXPENSE

	2024	2023
	RM	RM
Current tax expense	-	-

A reconciliation of income tax expense applicable to the net income before taxation at the statutory tax rate to income tax expense at the effective tax rate of the Fund is as follows:-

	<b>2024</b> RM	<b>2023</b> RM
Net income before taxation	175,826	50,843
Tax at the statutory tax rate of 24% (2023 - 24%)	42,198	12,202

#### 11. TOTAL EXPENSE RATIO ("TER")

	2024	2023
	%	%
Total Expense Ratio ("TER")	2.61	5.20

The total expense ratio includes annual management's fee, annual trustee's fee, auditors' remuneration and other administrative fee and expenses which is calculated as follows:-

$$TER = \frac{(A+B+C+D+E) \times 100\%}{F}$$

A = Management's fee

B = Trustee's fee

C = Auditors' remuneration

D = Tax agent's fee

E = Administrative fees and expenses

F = Average Net Asset Value of the Fund calculated on daily basis

The average net asset value of the Fund for the financial year is RM977,371 (2023 - RM323,087).

#### 12. PORTFOLIO TURNOVER RATIO ("PTR")

	2024	2023
Portfolio Turnover Ratio ("PTR") (Times)	0.85	0.71

The portfolio turnover ratio is derived from the following calculation:-

PTR = 
$$\frac{\text{(Total acquisitions for the financial year + total disposals for the financial year)  $\div 2}{\text{Average NAV of the Fund for the financial year calculated on daily basis}}$$$

Where,

total acquisitions for the financial year = RM1,190,270 (2023 - RM217,293) total disposals for the financial year = RM470,593 (2023 - RM239,920)

#### 17. FINANCIAL INSTRUMENTS

The activities of the Fund are exposed to a variety of market risk (including foreign currency risk, interest rate risk and equity price risk), credit risk and liquidity risk. The overall financial risk management policy focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Fund.

#### 17.1 FINANCIAL RISK MANAGEMENT POLICIES

The policies in respect of the major areas of treasury activity are as follows:-

#### (a) Foreign Currency Risk

The Fund does not have any transactions or balances denominated in foreign currencies and hence, is not exposed to foreign currency risk.

#### (b) Interest Rate Risk

The Fund does not have any interest rate bearing borrowings and hence, is not exposed to interest rate risk.

#### (c) Particular Stock Risk

Any major price fluctuations of a particular stock invested by the Fund may adversely or favourably impact the NAV of the Fund. However, due to the diversification nature of the unit trust, the impact would not be as major as investing in one particular stock.

#### Particular stock risk sensitivity

The Manager's best estimate of the effect on the net income for the financial year and other comprehensive income due to a reasonable possible change in equity indices, with all other variables held constant is indicated in the table below:-

#### (d) Liquidity and Cash Flows Risk

Liquidity and cash flow risk refers to the ease to convert investments into cash without significantly incurring loss in value. Stocks issued by smaller companies will face a greater chance of liquidity risk as compared to stocks issued by larger companies. When investing in stocks of smaller companies, the historical volume traded would be analysed to minimise the liquidity risk.

#### (e) Fund Manager's Risk

The performance of the Fund is also influenced by the expertise of the Fund Manager. The investment committee will oversee the activities and performance of the Fund Manager. There is also the risk that the Fund Manager does not adhere to the investment mandate of the Fund. The investment committee and the compliance unit hold primary functions to ensure that the Fund's investment strategy and mandate are adhered to. A compliance checklist and investment performance report shall be presented for review during the investment committee meeting.

#### (f) Credit Risk

The exposure to credit risk, or the risk of counterparties defaulting, arises mainly from amount owing by other receivables.

#### (i) Credit Risk Concentration Profile

The Fund does not have any major concentration of credit risk related to any individual customer or counterparty.

#### (ii) Maximum Exposure to Credit Risk

As the Fund does not hold any collateral, the maximum exposure to credit risk is represented by the carrying amount of the financial assets as at the end of the reporting period.

## (f) Credit Risk (Cont'd)

#### (iii) Assessment of Impairment Losses

At each reporting date, the Fund evaluate whether any of the financial assets at amortised cost are credit impaired.

The gross carrying amounts of financial assets are written off against the associated impairment, if any, when there is no reasonable expectation of recovery despite the fact that they are still subject to enforcement activities.

#### Receivables

The Fund applies the simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all receivables. No expected credit loss is recognised as it is negligible.

A financial asset is credit impaired when the receivable is in significant financial difficulties.

The Fund considers a receivable to be in default when the receivable is unlikely to repay its debt to the Fund in full or is more than 90 days past due.

#### **Bank Balances**

The Fund considers the licensed banks have low credit risk. In addition, some of the bank balances are insured by Government agencies. Therefore, the Fund is of the view that the loss allowance is immaterial and hence, it is not provided for.

#### 17.2 CAPITAL RISK MANAGEMENT

The Manager of the Fund manages the capital of the Fund by maintaining an optimal capital structure so as to support its businesses and maximise unitholders value. To achieve this objective, the Manager may make adjustments to the capital structure in view of changes in economic conditions, such as adjusting the amount of dividend payment, returning of capital to unitholders or undertake a unit splitting exercise to lower the value per unit of the Fund, thus the units become more affordable to raise more funds.
